

Spreading hope, love and joy

through simple acts of kindness.

## WELCOME TO THE RED TRICYCLE BRIGADE

Whether you've been "TRIKED" by a stranger or invited by a friend...

it is now your turn to pass the joy on to at least 3 more people.

1. **PRINT** this page on cardstock for best results
2. **CUT** out the trike tickets or along the tag lines
3. **ATTACH** to the good deeds of your choosing
4. **INSPIRE** others by sharing your ideas, stories and photos
5. **FOLLOW** us on our Facebook page for monthly "calls to action"

Let's keep this tricycle *rolling!*
